Graydon Hill, Edmonton, AB

A large, modern two-story house with a stone and wood exterior, a large garage, and a snow-covered roof, set against a dramatic sunset sky. The house features a prominent stone fireplace on the left side of the garage and a large window above the garage door. The roof is covered in snow, and the sky is a mix of orange, pink, and blue. The house is surrounded by a snow-covered lawn and a sidewalk. In the foreground, there are two green trash bins and a black utility pole. The house is flanked by other similar houses, suggesting a suburban neighborhood. The overall scene is a high-quality photograph of a modern home in winter.
