Single Family on 0.00 Acres

Kirkness, Edmonton, AB

In a superb location sits this well-kept, freshly painted 3-bedroom bungalow with a partially finished basement. Step inside, you'll find a clean well-laid-out floor plan that the owners have maintained over the years. The main floor features a large sun-filled living room, a spacious, bright dining area, and a functional kitchen with newer cabinets and countertops. Down the hall is a remodeled bathroom with a jetted tub and spacious primary bedroom, along with two additional bedrooms. The basement has a rec room, houses the laundry room, a roughed-in bathroom and lots of storage. The large corner yard has plenty of room to entertain and play in, and with a little elbow grease, this yard will be a gem. Near all amenities, shopping, entertainment, professional services, minutes from the Henday, and other major routes. Perfect for first-time buyers, those wishing to downsize, and with a side entrance to the basement, an opportunity for investors. All around this home checks many boxes.
